

Sparkling Wine

CUVÉE BRUT

WINE OF ORIGIN: Western Cape

ABOUT THE AREA: South Africa's vineyards are mostly situated in the Western Cape, near to the coast. This is the southernmost region of the African continent, and has a Mediterranean type climate and diverse soils perfectly suited to quality grape production.

VARIETALS: 100% Chenin Blanc

WINEMAKING: Chenin Blanc grapes were harvested early at 323 degrees balling for optimum flavour. The grapes were destalked, crushed and pressed. The juice was then fermented until a dry wine was obtained. The wine was transferred to chilled tanks and injected with CO2 gas to give it its sparkle.

WINE DESCRIPTION: This wine has rich fruity tropical fruit aromas characteristic of the Chenin Blanc grapes used. The finish is dry, crisp and refreshing.

SERVING SUGGESTION: Serve well chilled, as a welcome drink or as an accompaniment to light meal dishes.

CELLARING POTENTIAL: Enjoy immediately.

WINE ANALYSIS: Alcohol: 12.0 % v/v
pH: 3.44
Total acidity: 5.91 g/l
Residual sugar: 10.0 g/l
