The original single-barrel bourbon, Blanton's has set the standard since 1984. First crafted in the middle sections of Warehouse H at Buffalo Trace Distillery, it was once reserved for ambassadors, dignitaries, and Colonel Albert B. Blanton's inner circle. Today, this world-renowned bourbon is available to everyone.

Blanton's continues to earn global recognition, winning multiple international gold medals and praise from top spirits experts like Paul Facault.

Each bottle is hand-labelled with its bottling date and warehouse location, reflecting the careful selection process led by one of the industry's most respected Master Distillers.
